

Outdoor Education

Year 9 and 10 electives (semester-long course)

Outdoor Education provides an opportunity for students to participate in a variety of activities that enhance the growth of personal and social skills and enable the acquisition of skills related to outdoor recreation. Students experience leisure, recreational and outdoor pursuits. Activities usually include: rock climbing, first aid, mountain biking, bush and camp skills, lifesaving, caving, abseiling, community sports, orienteering, and surf awareness and skills. The course is likely to include a coastal camp and a caving/abseiling camp.
